**ANNOUNCEMENT OF PT INDO KORDSA TBK (the "Company")
REGARDING FORCE MAJEURE EVENT FLOODING AT THE COMPANY'S FACTORY**

Perseroan dengan ini mengumumkan kepada seluruh Pemegang Saham, pelanggan, mitra bisnis dan pemangku kepentingan lainnya bahwa pada Selasa, 4 Maret 2025, telah terjadi banjir di area pabrik kami yang berlokasi di Jl. Pahlawan, Desa Karang Asem Timur, Citeureup, Kab. Bogor, Indonesia.

The Company hereby announces to all Shareholders, customers, vendors and other stakeholders of the Company that on Tuesday, March 4, 2025, a flood occurred in our plant located at Jl. Pahlawan, Desa Karang Asem Timur, Citeureup, Kab. Bogor, Indonesia.

Akibat dari kejadian ini, seluruh kegiatan produksi Perseroan terpaksa dihentikan sementara. Oleh karena itu, dengan ini kami nyatakan Keadaan Kahar mulai hari ini. Dampak Keadaan Kahar belum jelas, dan kami akan menginformasikan kepada seluruh pelanggan dan mitra bisnis kami untuk segera meminimalisir gangguan operasional setelah kerusakan dan dampaknya dinilai dengan baik. Saat ini Perusahaan sedang melakukan pembersihan dan perbaikan fasilitas untuk memulihkan kegiatan operasional Perseroan secepat mungkin.

As a result of this event, all of the Company's production operations had to be temporarily stopped. Therefore, we hereby declare Force Majeure as of today. The effects of the Force Majeure are not clear yet, and we will inform all our customers and business partners to minimize operational disruptions immediately once the damage and effects are properly assessed. Currently the Company is carrying out cleaning and facility repairs to restore the Company's operations as quickly as possible.

Selain pemulihan operasional, keselamatan karyawan tetap menjadi prioritas utama. Seluruh karyawan telah dievakuasi dengan aman tanpa korban jiwa. Tim Regu Tanggap Darurat (RTD) telah dikerahkan untuk memastikan keselamatan dan kesiapan kondisi kerja.

In addition to operational recovery, employee safety remains a top priority. All employees have been safely evacuated with no casualties. The Emergency Response Team (RTD) has been deployed to ensure workplace safety and readiness.

Terkait kejadian ini semua tindakan yang diperlukan telah diambil dan dijalankan, Perseroan akan mengevaluasi sistem pencegahan banjir serta mengembangkan solusi berkelanjutan guna mengurangi risiko serupa. Perseroan terus memantau situasi dan akan memberikan pembaruan jika terdapat perkembangan material.

Regarding this incident all necessary actions have been taken and implemented. The Company will evaluate its flood prevention systems and develop sustainable solutions to mitigate similar risks in the future. The situation continues to be monitored, and updates will be provided should there be any material developments.
